

Henning Schmidt

Director of Engineering at LYNX Technik AG

Henning is co-founder of LYNX Technik AG and serves as their Director of Engineering where he leads the engineering team in product definition and research and development. Henning brings a wealth of broadcast skills to the LYNX Technik team with over 15 years of experience.

Prior to co-founding and joining LYNX Technik as a member of their management team, Henning worked for Philips Digital Video Systems (now Thomson Grass Valley) in several engineering and product development roles, including Senior Software Engineer.

Henning holds a diploma in Television Technology and Electronic Media from the University of Applied Science in Wiesbaden, Germany.

Henning can be reached at +49 6150 18170, Henning.Schmidt@lynx-technik.com
